

Photo Consent Form

Occasionally, we may take photographs of the children at our school. We use these images as part of our school displays and sometimes in other printed publications. We will also use them on our school website, Facebook page and Twitter account. If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption. If we name a pupil in the text, we will not use a photograph of that child to accompany the article.

To comply with the Data Protection Act 1988, we need your permission before we can photograph or make any recordings of your child.

I give permission for my child's photograph to be used within school for display purposes.

I give permission for my child's image to be used on the school's social media sites (e.g. Facebook & Twitter).

I give permission for my child to appear in the media.

I give permission for my child to have a school photograph taken.

Conditions of use This form is valid indefinitely from the date you sign it. We will not re-use any photographs or recordings a year after your child leaves this school. Historic photographs will remain on our school website and social media feeds. We will not use the personal details or full names (which means first name and surname) of any child or adult in a photographic image or video, on our website, on our social media platforms in our school prospectus or in any of our other printed publications. If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption. If we name a pupil in the text, we will not use an individual photograph of that child to accompany the article. We may include pictures of pupils and teachers that have been drawn by the pupils. We may use group or class photographs or footage with very general labels, such as 'a science lesson' or 'making Christmas decorations'. We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately. Websites and social media platforms can be viewed throughout the world and not just in the United Kingdom where UK law applies.
